

# VANDERBILT KENNEDY FAMILY OUTREACH CENTER

## RESEARCH AND RESOURCES FOR FAMILIES

The Family Outreach Center provides families with a single point of entry into the many services and supports of the Vanderbilt Kennedy Center, Vanderbilt University, and the community.

### SERVICES AND PROGRAMS INCLUDE:

- Advocacy and support
- Behavior Analysis Clinic
- Britt Henderson Training Series for Educators
- Introductions to other people and families in similar situations
- Reading Clinic
- SibSaturdays and other sibling support programs
- Social Work services
- Tennessee Disability Pathfinder  
<http://kc.vanderbilt.edu/tnpathfinder>
- Volunteer opportunities

We respond to individual and family needs across the lifespan.

*"Our strengths, as Family Outreach Center staff, lie in our passion, experience, and empathy. We draw on our own personal experiences of having a family member with a disability. We've been there!"*
