

CH-CH-CH-CHANGES

The transitions from Early Intervention to Preschool from Preschool to Kindergarten

Times of change for your young child with disabilities can feel overwhelming. With preparation and good information, transition can provide the opportunity to build a vision which will shape your child's education experience.

FORUM

A panel Presentation Featuring:

- * "transition 101" Overview
- * Family Perspective
- * Carol Garrett, MNPS Special Education coordinator Early Childhood
- * Early Intervention Representative

Tuesday, March 9, 2004
